Audition Agreement

I understand and will abide by the following policies and guidelines of the South Carolina Philharmonic Youth Orchestra Program:

1. Students will be placed in the orchestra most suited to their musical and technical abilities.
2. Students auditioning that are accepted into an orchestra agree that they will participate in the Youth Orchestra Program regardless of which group they are placed in.
3. Students will obtain the signature of their school band director on the acceptance paperwork.
4. *Youth Orchestra Program members are expected to participate in their school band programs. The Youth Orchestras are supplemental and are not a replacement to classroom band instruction.

Exceptions:

- a. The student's school does not offer band.
- b. The student is homeschooled.
- c. Band conflicted with a mandatory academic class or a class needed to graduate. These students need to provide a ***signed letter from a guidance counselor*** verifying the unavoidable schedule conflict AND have the ***required acceptance paperwork signed by the school's band director*** verifying that they are aware of the situation.

Students not participating in a band program are ***expected to obtain alternative instruction***, such as private lessons.

5. Students will abide by the the program's attendance policy set forth in the handbook.
6. Students will prepare their music to the best of their ability prior to each rehearsal.
7. The \$220 participation fee is due on or before the first concert.
